EVACUATION HOST  
COMMUNITY  
INFORMATION &  
RESOURCES:

Sudbury

To Our NAN Members,

Our thoughts and prayers are with all those communities threatened by the forest fires and smoke coming far too close to home. As evacuations have begun and members have been relocated to host communities, we hope that the following resource guide is helpful in navigating your temporary living situation. May the creator watch over you and bring you home safe.

-Nishnawbe Aski Nation
