

Raising Our Communities

Education Jurisdiction Summit

April 12 & 13, 2022
Virtual Event

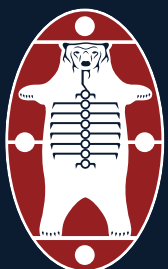

We raise our youth to be the future. We raise our voices for change.

Together, we are raising up our communities with a community-driven education system.

EVENT IS OPEN TO:
Leadership, Education
Staff and Community
Members at large.

First Nation governance is based on Indigenous peoples' inherent right to self-determination given by the Creator. Our First Nations agree that we need to move towards healing and empowerment in all sectors, including education. Please join us this April as we examine what jurisdiction means and discuss First Nation governance structure.
