

PUBLIC NOTICE

COVID-19 PROTOCOLS FOR ENTERING MATAWA 808 WINTER ROAD NETWORK

As of January 22, 2022 a CHECKPOINT will be setup at the Matawa 808 Winter Road entrance north of Pickle Lake. It will be manned 24/7 until the winter road closes.

All documentation must be sent to the First Nation to receive entry approval. This includes Vaccination certificate with dates and negative COVID results.

Any traveler without authorized paperwork at the Checkpoint will not be allowed to enter. Paperwork must also be presented at corresponding First Nation checkpoints.

Each First Nation has specific entry protocols. At a minimum travelers should meet the following requirements:

- Proof of double vaccination & booster (if eligible) with dates
- Negative PCR/Molecular COVID test results (within 72hours prior to entry)

All travelers are encouraged to limit contact with others on the road as much as possible.
