

Senior Policy Analyst

Early Years Department

SUMMARY:

The Senior Policy Analyst provides technical support in policy research, analyzing, and evaluating the efficacy of existing policies and programs and laying out the groundwork for new programs and legislation to meet the goals and objectives of the Chiefs-in-Assembly, by way of mandate. The Senior Policy Analyst will work within multi-disciplinary, collaborative team involving partners from a variety of sectors as well as internal NAN departments, NAN First Nations, and Tribal Councils to develop recommendations that will further guide policies and practices supporting NAN individuals, families, and communities.

DUTIES:

- **Research:** Conducting primary and secondary research to develop solutions/options for Chiefs to consider as NAN works toward reconciling mandates via resolutions. Research various identified policy issues, including gathering data, analyzing trends, reviewing literature, reports and inquests, and identifying relevant case studies or best practices. Collect data from communities, partners, and interdepartmental team members as required.
- **Analysis:** Using analytical tools and methodologies to assess the effectiveness, impact, and implications of existing or proposed policies. This involves identifying strengths, weaknesses, opportunities, and threats (SWOT analysis) associated with different policy options.
- **Data Interpretation:** Interpreting complex data sets and statistics to derive meaningful insights and conclusions. This may involve statistical analysis, data visualization, and other techniques to support evidence-based policy recommendations.
- **Policy Development:** Collaborating with stakeholders to develop policy proposals, including drafting policy documents, briefing papers, reports, and presentations. This may involve conducting consultations, facilitating meetings, and negotiating compromises among different interest groups.
- **Evaluation:** Monitoring and evaluating the implementation of policies and programs to assess their outcomes and impacts. This includes designing evaluation frameworks, collecting feedback from stakeholders, and making recommendations for improvements or adjustments.
- **Stakeholder Engagement:** Provides strategic policy advisement and coordination with a variety of stakeholders, including governments. Building relationships and collaborating with a diverse range of stakeholders, including government agencies, NAN First Nations, Tribal Councils, non-profit organizations, industry representatives, and community members. This may involve facilitating dialogue, building consensus, and advocating for policy changes.
- **Policy Advocacy:** Advocating for specific policy positions or reforms based on the findings of policy analysis. This may involve developing advocacy strategies, mobilizing support from key stakeholders, and engaging in public outreach and education campaigns.

- Policy Monitoring: Keeping abreast of developments in relevant policy areas, including changes in legislation, regulations, funding priorities, and political dynamics. This may involve conducting ongoing analysis and updating stakeholders on emerging trends and implications for policy decisions.
- Assist in logistical planning and implementation for in meetings, workplans, activities, workshops and training sessions and objectives related to the program.
- Seek funding opportunities and prepare various funding applications and proposals when required.
- Support department strategy development and assist with overall department evaluation.
- Facilitating program-related meetings and council meetings when required.
- Participate in all meetings at a local, regional and/or national level as requested and attend all organizational meetings as requested.
- Collect and store department data in an efficient, organized, and confidential manner and input documentation as required through scanning for record keeping in SharePoint.
- Support the NAN Chief's assembly, and NAN activities as required.
- Adhering to NAN policies, procedures, and protocols.
- Complete all mandatory training assigned.
- Other duties as required.
